“Simplify Your Financial Challenges, We’re Here to Help.”

Founder’s Note

Greetings!

CalcuWise Business Solutions (OPC) Private Limited is incorporated under the Companies Act, 2013. We are here to help businesses make better strategic financial management decisions with CalcuWise.

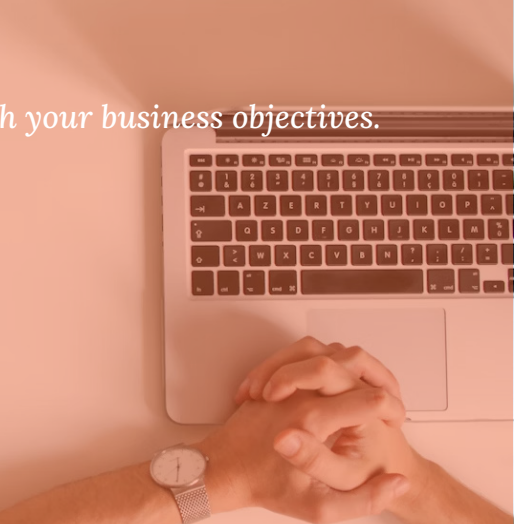

Specializing in Manufacturing, Engineering and E-Commerce Industry with over 14+ years of experience, I manage a team focused on delivering nothing but the best quality service possible. Leveling these long term partnerships are secondary to practically anything else you will come across.

Whether you are a startup looking for basic financial guidance, or an established company requiring in-depth advisory services, we provide all 360 degrees encompassing your requirements. Our method: Merging the conventional wisdom with modern tactics for sustainable growth.

We are very excited to be a part of what you have in store.
Thank you for considering CalcuWise as your trusted partner.

Best regards,

Preetham Shetty

A robust workforce that aligns with your business objectives.

About Us

Who we are

We are passionate about empowering businesses to thrive by providing top-notch financial, accounting, and advisory services. Our team is dedicated to delivering modern solutions tailored to your unique needs, helping you navigate financial complexities and achieve your strategic goals.

“Your Strategic Partner in Financial Excellence.”

What we do

Based in Bangalore, India, we offer a comprehensive suite of services designed to support your business at every stage of growth. From CFO advisory to compliance management, we are committed to excellence and customer satisfaction.

Vision and Mission

Vision

Our vision is to be the preferred partner for financial shared services. We strive to provide innovative, customized solutions that drive business success and growth.

“Seamless Financial Management for Every Stage of Growth.”

Mission

Our mission is to lead with integrity and deliver exceptional outcomes. We focus on providing data-driven financial leadership, fostering continuous improvement, and cultivating a collaborative culture that empowers our clients to excel.

Empower Your Business with Solutions Tailored to Your Needs.

Tailored Solutions

We understand that every business, regardless of its size, faces unique challenges. That's why Calcuwise offers personalized solutions for startups, mid-sized companies, and large corporates.

START-UPS

Get the right financial structure in place from day one.

Launching a new venture is an exciting yet complex journey. We're here to guide you through it all, providing expert financial, accounting, HR, and strategic support to help your startup succeed from the ground up.

MID-SIZED COMPANIES

Streamline HR and operational processes to foster growth.

Scaling your business requires a balance between growth and efficiency. We help in optimizing financial performance, develop robust business strategies, and build strong HR frameworks for sustainable expansion.

LARGE CORPORATES

Improve operational processes and ensure compliance.

Enhancing operational efficiency, ensuring compliance, driving strategic initiatives, and optimizing business processes for sustained growth. We address bandwidth issues for specific/special tasks, reconciliations & special assignments.

Get the right financial structure in place from day one.

Our Expertise

We offer comprehensive services across finance, accounting, and human resources to empower businesses of all sizes.

Our finance consulting includes strategic financial planning, budgeting and forecasting, and CFO advisory services to ensure long-term growth and stability.

With our accounting services, we deliver precise bookkeeping & financial reporting, tax planning & compliance, and internal audits & checks to enhance financial transparency.

In human resource consulting, we provide tailored solutions for talent acquisition, HR strategy, and compensation planning, ensuring a robust workforce that aligns with your business objectives.

Drawing on our extensive experience within financial management, we allow you to concentrate more of your efforts towards developing the business and ensuring that these critical strategic goals are met.
